	16:10	A	86	M-Final	Winner SF1	Winner SF2

*Courts can change. Please check right in front tournament

**for women mode: After Group phase 8 Teams qualify for Quarterfinals. As we have 3 groups the group winners as well as the second placed teams will qualify. In addition the best 3rd and 2nd best 3rd will qualify, the other teams play one placement game for PL 9-12. In Quarterfinals the opponents must not be out of same Group. If this will be the case the distribution will be switched accordingly to the next best different group. Best 1st, 2nd and 3rd placements are calculated by quotient of points divided by games. If equal then sets ratio and in last step goal ratio will be applied. If also equal most scored goals rule will be applied.

***for men mode: after men group phase all group winners directly qualify for Quarterfinals QF1-4. Place 2 and 3 of each Group play an additional qualification game (QQF) to determine the Quarterfinals opponents. All 4th placed teams will have one placement game after group phase. All 5th placed teams will be out after group phase. Placements 9-12 will be set based on the results of the QQF rounds. First sets ratio will be applied and if equal goal ratio will be applied. If also equal most scored goals rule will be applied.
