*Courts can change. Please check right in front tournament

**for Quarterfinals, the opponents must not be out of same Group.

If this will be the case the distribution will be switched according to the next best different group.

Best 1st and 3rd placements are calculated by quotient of points divided by games. If equal then sets ratio and in last step goals ratio will be applied.

QF= Quarterfinals

SF= Semifinals

PL= Placement Round
